### **Experience:**

With over 25 years of combined wilderness adventure and expedition planning experience in North America, there are few companies that know America as well as us. While many guide services offer trips all over the world, our focus is specific to the land that we love and know the best—the wilds of North America.

### **North America's Best Wilderness Destinations:**

Many guide companies focus their operations on the biggest name, or most popular destinations. While we enjoy many of these areas too, our focus is in providing you some of the most secret, unknown, and beautiful destinations in North America. We never quit searching for new and undiscovered wilderness jewels. When you take a trip with Get In The Wild, you can rest assured that "Wild" places are what we know best.

### **Small Intimate Groups:**

Many guide companies are focused on getting the greatest number of people to a specific destination. Not us! We limit the size of our wilderness trips so that you can be assured of our commitment to the most private and intimate group settings possible.

### **Custom & Personalized:**

We place great value in the personal attention and satisfaction of our guests. Making sure your trip is tailored perfectly to your needs to ensure you receive the very best wilderness adventure possible is a core value that we never compromise.

### **Gourmet Wilderness Cuisine:**

We take great pride in providing you with some of the very best wilderness camp cuisine imaginable. Our backcountry chefs have spent more than a decade perfecting our delicious recipes. Regardless of the adventure, rest assured that we are committed to serving you the tastiest backcountry meals imaginable.

### **All-Inclusive:**

The trip and class prices that are listed on our website are all inclusive. We don't do hidden costs!
